Laboratory Manager
Participating Laboratory in Anatomical Pathology, HKIMLSQAP

Dear Madam/Sir,

Re: **Return of Survey Slides for Panel Review**

It came to the attention of the panel of Anatomical Pathology that slides returned for review were not properly labelled as instructed.

May I inform you that with immediate effect we strictly impose the policy that unlabelled and improperly labelled slides are not reviewed by the panel and no mark is given to participating laboratory returning such slides. Besides, the misbehaviour of the concerned participant will be documented on the individual survey report.

Thank you for your attention.

Regards,
