Re: Subscription of Clinical Chemistry Programme (RIQAS Cycle 21)

Dear Laboratory Manager

On behalf of HKIMLSQAP, I would like to take this opportunity to thank you for your continuous participation in the Clinical Chemistry Programme.

Due to inflation and the price increase of the proficiency testing material, it is necessary for HKIMLSQAP to slightly uplift the subscription fee for the Clinical Chemistry Programme to \$4250 and \$250 local delivery charge of survey materials.

Please return the registration form by facsimile (Fax No: 2124 2798) to us on or before **20 August 2023** as a surcharge will be imposed if confirmation is received after the deadline.

Please do not hesitate to contact me if you have any queries.

Yours Sincerely

Albert LI
